

## SOONGSIL UNIVERSITY'S SCHOLARSHIP PROGRAM

### ❖ Overview

- Through our unique partnership with Soongsil University, an unique scholarship program has been established specifically for Ellacy's students.
- SSU is conveniently located right in Seoul, capital of South Korea. There is a bus stop right at the 7<sup>th</sup> train station and are many bus stops nearby SSU.
- Soongsil was the first university in South Korea, and is in the top 25 best schools in South Korea for quality of education, reputation and internationalization (*JoongAng Daily*)
- Outstanding strengths in economics, business and computer science. The Faculty of Computer Science was first established in this school and is currently ranked second in Korea only after Seoul National University

### ❖ Unique Scholarship Program

- All students under Ellacy's sponsorship are guaranteed scholarships for up to 50% off Korean Language Program.
- After successfully completion of KLP, there are scholarships available for undergraduate students from 30%-100%.
